Enclosure: Suspension of 2020 Guidance.

The Company hereby announces that it is suspending its 2020 guidance. Concerns related to the coronavirus are affecting demand for air travel. We cannot predict at this time whether the current demand environment will worsen or how long it will take for demand for air travel to improve, which makes it impossible to predict results for the full year. The Company maintains a strong financial position, with low leverage, high liquidity and leading unit costs, and is taking actions to seek to minimize the potential effects from a weakening demand environment, including cost reduction efforts and capacity adjustments.

This document contains forward-looking statements - not limited to historical facts - that reflect the Company's current beliefs, expectations and/or intentions regarding future events and results. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially and are based on assumptions that are subject to change. For more information on forward-looking statements and associated risks, please refer to our annual report filed with the SEC.
